Vineyard, Texas

Dear Readers: A year ago I was around Cookeville with friends and relatives, the place of my childhood and youth that we all love so well; but now we are far away in Jack county at the mineral wells for a little recreation and for wife's rheumatism.

This is a mountainous, rough country.

The crops are a failure except cotton and it looks well.

Us Texas people have planted the second crop since the rain and it is large enough to work.

The weather has been very pleasant of late.

I was glad to get your letter, Prof. Houston Proffitt. Hope your trip was not in vain and that you will visit us again.

THE TRUE TEST

Tried in Cookeville, It Has Stood the Test

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Cookeville. Kidney sufferers can hardly ask for stronger proof than the following:

Mrs. Willie Starnes, Main St., Cookeville, Tenn., says: "I suffered from kidney trouble for several years and sometimes I was almost prostrated by pains in my back and head. I had attacks of dizziness, with flashes before my eyes and the kidney secretions also caused me much suffering. Hearing Doan's Kidney Pills highly recommended, I finally procured a box at Neal & Staley's drug store and began their use. They have helped me greatly and I consider it a pleasure to recommend them." (Statement given January, 27, 1908.)

THE BENEFIT LASTED

On January 26, 1911, Mrs. Starnes was interviewed and she said: "There has been no recurrence of kidney complaint in my case and I consider my cure a permanent one. I believe that this remedy is the best one to be had for disordered kidneys."
